Arrival in Cali for The World Games 2013

On arrival at Cali airport, you will be taken to one of two accreditation centres :

For international arrivals : Valle del Pacifico conference centre
For locals : Escuela Nacional del Deporte

You will be issued your accreditation card. You must wear it at all times to have access to the official transportation, food and competition site.

NO CARD = NO ACCESS = NO EXCEPTIONS

Do not lose your card as there is a $100 replacement fee. Extra cards will NOT be available; only those already registered as FAI athletes or officials will receive a card. Cards will NOT be available for friends, family members or others.

Once you have registered and received your accreditation card, you will then be taken to your hotel.

During the competition official period

Your accreditation card gives you access to official transport, food and the competition site.

Breakfast is at your hotel. Lunch is at the competition site. For dinner you will be transported at the end of the competition day directly to the catering centre and afterwards to the hotel. Athletes and officials will eat together. We will sit together as air sports competitors so that we can have briefings and exchange information.

Hotel registration desk

There will be a hotel registration desk with local volunteers at the hotel. They will be able to help you with questions you may have about Cali.

See you in Cali!
