Official Transport

The hotels are approximately 10 minutes' drive from the competition site; official transport from the hotels to the competition site and the catering centre will be available during the official period to people with an accreditation card. If you arrive before, or leave after, the official period, you will have to provide your own transport.

Hotel services & volunteers

There is free wifi in each of the two hotels. Each hotel offers laundry service (at extra cost). Each hotel will have one local volunteer provided by CLOC to help with questions or problems.
