Details of the Judges Work: <i>(including judging statistics)</i>	<p>The In Time scoring system was used and the judging went smoothly from the start. No problems with scoring concerning the system occurred. The judges kept up the judging speed with the pace of the downloading. No more than 2 rounds were made in one day. The FS competition was finished on the 6th of Dec. Awards given on the 7th of Dec.</p> <p>664 Competition jumps where 144 8-way 72 VFS 448 4-way</p> <p>The scoring system worked very well and the judging ran smoothly. Team 403 scored 0 on their first round due to no video. One rejump due to camera failure, team 403. One team withdrew due to injury, team 459</p>
Recommendations for Organisers:	
Rule Changes Proposals:	Reduced speed. The judges would prefer the rule a little bit more flexible. Depending on the issue looked at, stationary contact or wrong grip. One is easier to see in reduced speed the other in slow-motion. Would be good with more flexibility.

Personal remarks:

FAI Controller, Alberto Martin Paracuellos, was very helpful and supportive. In spite of having so many tasks to deal with he always took time to help and answer questions promptly.

According to Sporting Code Section 5, 6.9.1 (11) this is to be sent to the Chair of the Judges Committee and the IPC Technical Secretary within 30 days of the competition completion.
