

2013 TROPHY REPORT

by *CIAM Secretary, Massimo Semoli*

At this moment, we have 90 trophies registered: 50 are World Championships trophies, 17 are dedicated to European Championships and 23 are reserved for World Cup classes.

The help of FAI jury members is continuously required in order to check the proper conditions of our trophies.

The Trophy management improved but still require support. The trophies to be awarded are now mentioned in the Championship bulletins when applicable. Only few forms relevant to the transfer of a trophy have been delivered. None of the championships results included the awarded trophies when applicable. The FAI juries are required to check this inclusion when they sign the championship results. Also FAI office is required to chase the organisers to provide the results of the awarded trophies when they are missing and to publish them with the results.

Since the holders are responsible for maintaining the trophy in good condition, the CIAM Bureau monitoring will continue each year.

The list of the trophies status is in the “Documents” page of the FAI aeromodelling website.

Exceptionally four nations after this year Plenary meeting and for various reasons, donated trophies with the intention they would be awarded at this year championships. The Bureau approved the donations of this trophies and authorised to awarded them this year. They are the following:

- FAI Junior World Championship For Radio Control Duration Gliders Team Trophy donated by France and Serbia.
- FAI Junior World Championship For Aerobatic Model Aircraft individual “Floating Trophy” donated by South Africa
- FAI European Championship For Control Line Aerobatic Model Aircraft Team trophy “Luciano Compostella” donated by Italy

Many thanks to France, Italy, Serbia and South Africa.
