

# **2007 TROPHY REPORT**

*by CIAM Secretary, Massimo Semoli*

At this moment, we have 77 trophies registered: 42 are World Championships trophies, 14 are dedicated to European Championships and 21 are reserved for World Cup classes.

The help of FAI jury members is continuously required in order to check the proper conditions of our trophies.

The Trophy Report Form is never used.

Since the holders are responsible for maintaining the trophy in good condition, the CIAM Bureau monitoring will continue each year.

The activity for publishing the trophies history in the FAI website started few weeks ago. It will be performed with the support of the assistant to the CIAM secretary Hartmut Siegmann.

The F2D European Challenge Trophy was found, it was broken and in the hands of the Russian Mr. Belaiev. He is repairing it and he will send it to the awarded 2007 winner Mr. Igor Dementiev from Moldavia.

The Sopwith F3D Trophy has been repaired by the 2007 F3D World Championship organizer and it will be delivered to the awarded competitor Mr Randy Bridge (USA).

The situation of trophies is enclosed to this report.
