Dear CIVL Delegates,

In 2007 there will be World Championships in both HG and PG. CIVL have received intentions to bid from Manila (Australia) for PG and from Slovakia for HG. If any other countries wish to bid for these championships, they need to send notice to the CIVL President (Olivier.burghelle@wanadoo.fr) before the Bureau meeting, 11th November 2004.

Bids are also invited for PLA Worlds and the European Class 5 (Rigid Wings) Championship. For further information please contact either Olivier Burghelle or Paula Howitt (paula@fai.org)
