AIX-EN-PROVENCE CITY

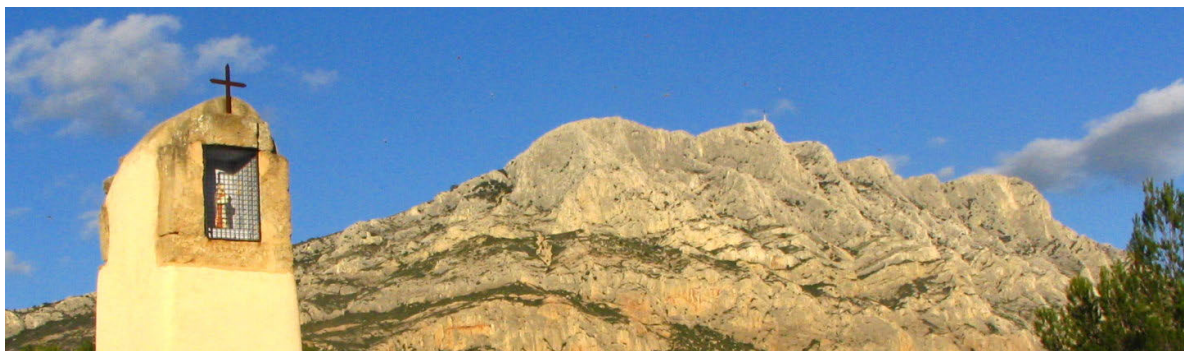

Bathed in the light of its special climate, Aix-en-Provence is a city of refined elegance on show in its constantly bustling streets and squares.

History here is the drama of everyday life a pleasurable shopping trip is combined with its noble heritage, a drink on a terrace with beautiful architecture and a stroll around town with baroque splendour. Every fountain holds a secret; each mansion house has a story to tell. The country houses are adorned by parks and gardens as they were over the centuries.

Aix-en-Provence is a canvas of joyful impressions, of colourful festivals, festivities and traditions, Provencal markets, delicious sun-filled delicacies, walks in the countryside and relaxing activities...

Cézanne's colours are all around you: more than just an experience, you'll actually feel like you're meeting the painter amongst the places and landscapes which marked the life, the eye and the work of the father of modern painting.
