

Report of the Contest Organisation Working Group

The COWG monitors the operational use and correctness of working practices carried out by Contest Organisers and CIVA officers at CIVA championships in accordance with Section-6 and other regulations, and reports upon their effectiveness to the plenary each year.

In 2021 the COWG members have been:

Elena Klimovich (RUS)
Madelyne Delcroix (FRA)
Vladimir Machula (CZE)
Nick Buckenham (GBR)

Three organisers have presented championships in 2021:

For WGAC/WAGAC	Fundacja Lotnisko Leszno, Poland
For WAAC	Aeroklub Pomorski, Poland
For EIAC	Aeroclubul României

The COWG has been notified of no instances that would require specific attention from this working group during 2021.

With reference to the considerable difficulties and challenges that all organisers experienced in their preparations for and operations at CIVA championships during 2021, notably from the Coronavirus pandemic and the unexpected relocation of two major events, on behalf of all competitors and officials the COWG would like to extend its thanks and appreciation to each organiser for the consistently high standards that they achieved, these being much appreciated by everyone involved.
