

# PROPOSAL TO IGC PLENARY 2020

Proposed by the French Gliding Federation (FFVP)

## *Remove Designated Start option*

### **It is proposed:**

To delete the Designated Start option

### **This proposal affects:**

- Annex A - Rules for World and Continental Gliding Championships

### **Discussion:**

This start option has not been used during the WGC in 2018 nor the EGC in 2019.

This option has been rejected by most of pilots and organizers since it only complexify the rules and flight management without suppressing gaggle and followers.

Removing this option will simplify the document.
