### **Proposal to the 2024 IGC Plenary**

**Date:** 11-12-2023

**Proposal submitted by:** IGC

**Title:** Indexation of the sanction fees for the period 2025 - 2029

**Type:** Other proposal

**Type the text changes in the space below** (show deletions as ~~strike-through~~ and additions as **bold underlined**):

The Bureau likes to propose an indexation plan for the sanction fees for the coming five years, this will cover the period 2025 till 2029, with an annual indexation between 2% and 4%.

An indexation of 3% will be applied in the budget plans subject to an annual adjustment based on the economic situation.

**Type the reasons in the space below:**

The Organisers Agreement (OA) must be completed and signed once the bid is approved. This is done up to four years before the event date and the sanction fee is one of the items of the OA. This is the reason we need accurate figures for the future years. These figures will be used also to calculate the IGC budget.

**Provide supporting data or reference to external documents for the proposed technical amendments in the space below:**

**The proposal should be applicable from:** 2025

**The proposal affects:** IGC Budget
