

PROPOSAL TO IGC PLENARY 2020

Proposed by the French Gliding Federation (FFVP)

Change the deadline for preliminary bids and proposals

It is proposed:

To move the deadline for bids and proposals from the 30th of September to the 31st of October.

This proposal affects:

- IGC timelines

Discussion:

The current deadline is the 30th of September, which is too close from the end of the peak season in the northern hemisphere.

It is difficult to get feedback from competitions running in August, to analyse them and to send proposals in a rush.

Just one more month will help the NAC to send *-or to not send-* quality proposals without affecting the IGC organisation and the secretary workload.
