**Type the text changes in the space below** (*show deletions as ~~strike-through~~ and additions as **bold underlined***):

Create an official history of individual and team winners of all FAI gliding championships on the FAI/IGC web site.

**Type the reasons in the space below:**

On the FAI/IGC web site, we can read the records and badges holders.  
But there is no data about the winners of FAI gliding competitions.

In Wikipedia ([https://en.wikipedia.org/wiki/World\\_Gliding\\_Championships](https://en.wikipedia.org/wiki/World_Gliding_Championships)) there is such an history of winners. But there is no record of the Team Cup results.

And moreover it is not written nor hosted by the FAI, so it is not official. It is important for pilots and for NAC, for the promotion of our sport and team results, to be able to show official FAI data.

That is why we suggest the creation of the history of results of FAI gliding competitions' results history :

- for all World Championships, Continental Championships and World Sailplane Grand Prix
- in all categories and all classes
- the 3 first individual winners
- the 3 first countries at the Team Cup

**Provide supporting data or reference to external documents for the proposed technical amendments in the space below:**
