So, Michal Zitnan got by far the best ranking by the experts. The CIAM Bureau acknowledged the result and due to Covid 19 restrictions that made the Plenary meeting move forward in time, CIAM Bureau was authorised to award the Scholarship to Michal Zitnan.

### Comments
In 2020 again a nominee is No 1 of the experts ranking list who had been nominated many times before. Some applications are made when the nominee is quite young (16 or 17 years). In that case, experts are in doubt whether a schoolboy or a schoolgirl needs our scholarship and rate in favour of older candidates.
