

CASI report by GAC president Rodney Blois (Annex 5b)

This year CASI activities were highly affected by the COVID-19 pandemic

This year we have had to deal with four appeals.

The existing rules are inadequate and need to be revised.

This will require a revision of the Statutes as well.

CIVL President, was much involved / Disciplinary Procedures, Penalties, Protests and Appeals.

I would like to thank the CASI Bureau and also the FAI EB and FAI Secretariat for the good communication we have had during the year.
