

Hola amigos

Hard times are now going on, not only in our sport.

I don,t know if I will be able to put all the things together, but I don,t want to miss the possibility to put a bid on the table for the XXV FAI HOT AIR WORLD CHAMPIONSHIP MALLORCA 2024 , the Key officials, will be more or less the same than in the "Europeans 2019 on Majorca".

Also I putted the price down in comparation with the europeans, although it is one night longer, one flight slot more and more cost with gas, but I don,t trust my self to promise to be able to do it cheaper.

I will be also very happy if there are other candidatures from other countries.

·The title, dates and place of the event,

XXV FAI HOT AIR WORLD CHAMPIONSHIP MALLORCA 2024
October 16th AM till 21th PM
MALLORCA

·the organiser's name, coordinates and qualifications,

MALLORCA BALLOONS/RICARDO ARACIL
Competition Pilot, FAE Spanish delegate and

Organiser of the last XXI FAI EUROPEAN HOT AIR BALLOON CHAMPIONSHIP 2019

·the maximum total number of competitors the organiser is prepared to accommodate,

At least 100+5, maybe 130+5 (to be confirmed)

·the equal number of competitors to be invited from each eligible NAC.

2 in first round

·the organiser's policy on entry-fees.

We are doubting to make a package like it was in the europeans, which will be probably more confortable and cheaper for the teams, or to charge only the inscriptionsfee with gas and Inaguration & Farewell , and every body pays his own transport & Hotel & Food. It is too early to know now what we can organise, without to forget, that we are now in COVID time and we dont know how will be the post-Covid time.

Here our 3 thoughts at the moment.

* We will try to have some vans with some discounts,.

* Facilities means special prices that we will handle, not that it will be free of charge.

* We were willing to speak with cargo airlines, but with the actual situation absolutely all conversations, and not only with airlines were broken. I hope to be able to restart after a time.....:-)

We plan to organise a short (5 flight slots) a pre-world championship from the 12th till the 14th of October 2024, some days before the big event.
