Invitation

Dear IGC-President, dear Eric,

the German Gliding Commission of the Deutscher Aero Club (DAeC) and the Fliegergruppe Freudenstadt has the great pleasure to invite the IGC Plenary Meeting 2018 to Freudenstadt located at the wonderful Black Forest in Germany.

The meeting for our Gliding friends from all over the world will be organized at the Freudenstadt Convention Center. Nice and comfortable hotels around the Center will build a friendly base for a successful and joyfull time during the meeting weekend.

Of course the members of the local Gliding Club in Freudenstadt will do their best to prepare an intersting and varied sideprogramm.

The German Gliding Commission and the Fliegergruppe Freudenstadt would be very happy to welcome the IGC Delegates and Members to Germany.

Best regards

Walter Eisele
