Subject: XXV FAI Hot Air Balloons World Championship 2022
NAC Authorization

The Spanish NAC, the Royal Spanish Aeronautical Federation, hereby authorizes and supports the initiative of Mallorca Balloons, through Mr. Ricardo Aracil, to present the bid to organize the XXV FAI Hot Air Balloons World Championship to be held from 11th October until 16th October, 2022 in Mallorca (Spain).

Yours faithfully,

Manuel Roca Viaña
President
Royal Spanish Aeronautical Federation
The title, dates and place of the event,
**XXV FAI HOT AIR WORLD CHAMPIONSHIP MALLORCA 2022**
October 11th AM till 16th PM
MALLORCA

The organiser’s name, coordinates and qualifications,
MALLORCA BALLOONS/RICARDO ARACIL
Competition Pilot, FAE Spanish delegate and Organiser of the last **XXI FAI EUROPEAN HOT AIR BALLOON CHAMPIONSHIP 2019**

The maximum total number of competitors the organiser is prepared to accommodate,
At least 100+5, maybe 130+5 (to be confirmed)

The equal number of competitors to be invited from each eligible NAC,
2 in first round

The organiser’s policy on entry-fees.
We are doubting to make a package like it was in the europeans, which will be probably more comfortable and cheaper for the teams, or to charge only the inscription fee with gas and Inaguration & Farewell, and everybody pays his own transport & Hotel & Food. It is too early to know now what we can organize, without to forget, that the country is now in Quarantine.
Here our 3 thoughts at the moment.

* We will have aproximatelly between 30 mini vans, which we will have a protocol, first intercontinental pilots, later if there are still mini vans for europeans coming from far away (Russia, Ucrania, Turkey, Escandinavia countries, etc....), others only till end of our capacity.

* Facilities means special prices that we will handle, not that it will be free of charge.

* We were willing to speak with cargo airlines, but with the actual situation absolutely all conversations, and not only with airlines were broken. I hope to be able to restart after a time.....:-)

We plan to organise a short (5 flight slots) a pre-world championship from the 7th till the 9th of October 2022, some days before the big event.
