### Welcome to the

23nd FAI european hot air balloon championship ...

#### ... we hope in lower austria ...

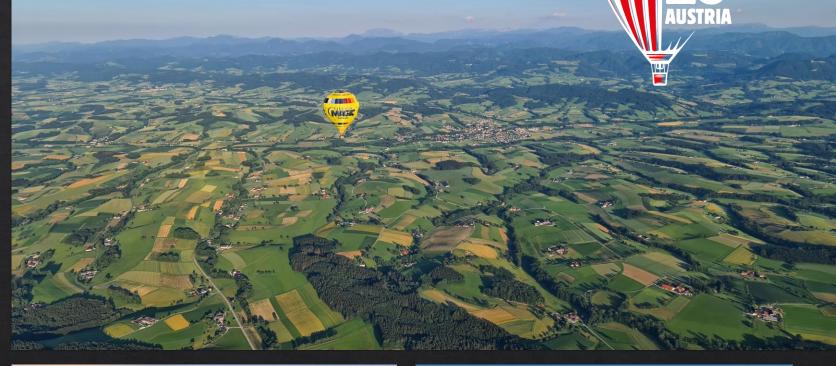

... from 16. - 21. 08. 2025 in wieselburg ...

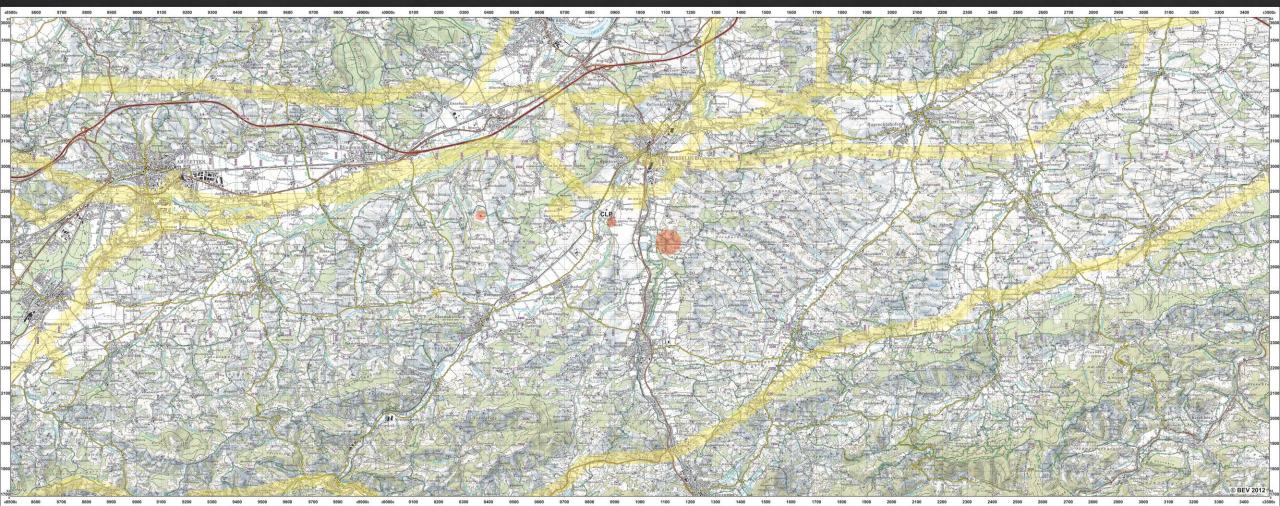

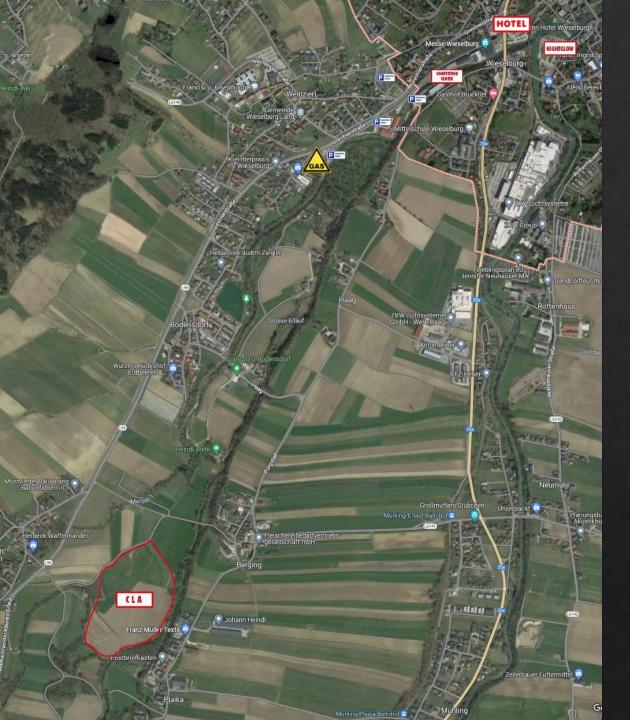

We have a large competition area up to 9000ft The wind comes mostly from west or east

Wieselburg is a fair city, perfect for the championship.

the competition center, hotels, restaurants, social event area, refuelling and the common launch area are within 3 kilometers

### competition center with breakfast

#### we have 500 beds in the area

- I'm Inn Hotel
- 0 km from competition center for officials and participants
- Hafnertec Hotel 0 km from competition center
- Student Home 0,5 km from competition center
- Top Motel 4,2 km from competition center
- Mostlandhof 6,5 km from competition center

## outdoor area for opening and award ceremony and for social events

# social events

#### the organizer ...

... is a balloonclub with long history

we have experience with organizing competitions:

- 4 times Open Austrian Nationals with 30-50 competitors
- many National competitions

#### the chairman from Ballonsportverein Mostviertel

Andreas Simoner is a competition Pilot since 2001 and collected many experience in international events like Worlds, Europeans and World Air Games.

## The event director Martin WEGNER is very experienced

2014 - Hessian Championships with 16 participants

2015 – 1st Horber Neckar Balloncup with 15 participants

2016 - 2nd HNBC with 19 participants

2017 - 3rd HNBC with 28 participants

2018 – BeNeLux Championship with 29 participants (in English, of course)

2019 — BeNeLux Championship with 34 participants (again in English)

2019 – Austrian state championship with 16 participants

2021 - Austrian state championship with 16 participants

2021 - 5th HNBC with 16 participants

2022 - Lower Austria state championship with 12 participants

We are 45 motivated members in the Ballonsportverein Mostviertel.

The event director Martin Wegner and his team have already organized spectacular events in 2019 and 2021 in Wieselburg

We all have a vision — a great event for the pilots and crew members.

#### Status of organization, March 2023

- 70% of the budget is financed by sponsors, we have many sponsors, that's safer than one main sponsor.
- Ultra Magic Balloons provides targets and markers

#### Status of organization, March 2023

- since november 2022 we have weekly meetings of the organizers.
- the event concept is 80% done, only the side events have to be organized.
- During the Europeans 2025, we have a professional social media team for pictures, videos, intervíews and live reports

#### Status of organization, March 2023

- we advertise the championship at the outdoor fair in Wieselburg from 21. - 23. April 2023 and 2024 and 2025
- we advertise in the local newspapers (Dez. 2022)
- the website and the social media is ready, we are able start in August 2023

- Entry fee for competitors is €450,00.
  This includes dinner at the opening- and award ceremony, breakfast, a shirt, a digital and printed competition map, entry to social events
- Gas for training and competition is not included, competitors pay current purchase price at the time of the event

- we are planning low-priced accommodation in a student home for the participants
- we offer special rates for all hotels
- the restaurants have special menus and special opening times

- Pre- competition for maximum 50 participants in the open Austrian National Hot Air Balloon Championship from 14 – 18. August 2024
- Official training flights 2025 are possible beginning from 14. August, whit Task prices, Key grab
- gas refueling is also possible before 14. August

- balloon repair service at the event
- replacement balloon from organizer

- we organize a great social event program for the participants
- souvenirs for the event
- Sponsored cars for the whole official team
