CHAPTER 1

GENERAL PROVISIONS

1.1. FAI FLAG AND LOGOS

1.1.1. FAI Air Sport Commissions may design specific emblems for their respective disciplines. The design must be approved by the FAI Executive Board prior to production and use.

1.1.2. The use of the FAI flag, logos or emblems for any advertising or commercial purposes without prior written agreement of the Executive Board is prohibited. However, the right to approve the use of the FAI flag, logos or emblems may be delegated to the FAI Secretary General or to FAI Members.

1.1.3. Copies of all contracts bearing on the FAI flag, logos or emblems shall be sent to the FAI Head Office at the earliest practicable moment.

1.1.4. The FAI flag, logos or emblems may be exploited on behalf of FAI in the territory of FAI Members, provided that such Members (including event organisers) receive an equitable share of the proceeds thereof, the terms to be established by written agreement.

1.2. RULES FOR TRANSFER OF RIGHTS TO FAI INTERNATIONAL SPORTING EVENTS

1.2.1. Under Statute 1.8.1, FAI owns and controls all rights relating to FAI events organised wholly or partly under FAI rules and regulations. FAI Members shall, within their national territories, enforce FAI ownership of FAI events and require FAI International Sporting Events to be registered in the FAI Sporting Calendar in accordance with Statute 2.4.2.2.5. Any or all of FAI’s rights to an FAI event may be transferred by the FAI to an event organiser, subject to the restrictions indicated below.

1.2.2. Any event organiser who wishes to exploit FAI rights for or at any FAI event shall seek prior agreement with FAI, in the form of an “Organiser Agreement”. The FAI Head Office shall maintain a standard format for such agreements and make this available on request to FAI Members or event organisers.

1.2.3. The rights owned by FAI which may, by agreement, be transferred to event organisers include, but are not limited to:

- Advertising at or for FAI events
- Use of the event name or logo for merchandising purposes
- Use of any sound, image, program and/or data, whether recorded electronically or otherwise or transmitted in real time (including specifically all rights to the use of any material, electronic or other, including software, that forms part of any method or system for judging, scoring, performance evaluation or information utilised in any FAI Sporting Event).
1.2.4. Any person or legal entity that accepts responsibility for organising an FAI Event, whether or not by written agreement, in so doing also accepts the proprietary rights of FAI stated above. Where no transfer of rights has been agreed in writing, the FAI shall retain all rights to the event.

1.2.5. Regardless of any agreement on transfer of rights, FAI shall have, free of charge for its own archival and/or promotional use, full access to any sound and/or visual images of any FAI Sporting Event. The FAI also reserves the right to arrange at its own expense for any and all parts of any event to be recorded, filmed and/or photographed for such use, without payment to the organiser.

1.2.6. FAI may negotiate agreements with FAI Members, other entities authorised by the appropriate FAI Member or event organisers, for the transfer of all or parts of its rights to FAI Events or waive the rights. Any such agreement or waiver shall be signed by FAI Officers in accordance with Statute 6.1.2.1.3.

1.3. DEFINITION OF AIR SPORT PERSON

1.3.1. A person involved in air sports as recognized by FAI and who is registered either directly with a NAC or with a sporting organization affiliated to a NAC

1.3.2. There are three basic ways in which a person could become “registered” as an AP:
- Direct individual registration with the NAC that serves as FAI Member.
- Individual registration with a NAC-affiliated national federation.
- Individual registration with a local club under the NAC umbrella (directly or indirectly).

1.3.3. The AP definition embraces not only registered individuals in organisations within the FAI structure, but also those registered in organisations that are not themselves members of FAI, but that have an affiliation agreement or sporting license arrangement with a FAI member. Furthermore, in some cases, AP status has to be given to persons in organisations wholly outside the FAI structure and to individuals with no institutional affiliation.

1.3.4. However, those individuals who belong to no organisation, but who are APs (for example, some world record setters) must at some stage “register” in some way with one of the above categories of organisation, if only to obtain a sporting licence or achieve ratification of a performance as a national record. The term “registration” includes, but is not limited to “membership”. Registration may, for the purpose of AP counting, include less close forms of relationship, such as sporting licence issue. However, it is not intended that the term “registration” should include people who, for example, take a single trial flying lesson or parachute jump, but who subsequently display no commitment to air sports.
CHAPTER 2

MEMBERSHIP RULES AND PROCEDURES

2.1. APPLICATION FOR FAI ACTIVE MEMBERSHIP

2.1.1. To join the FAI as an Active Member the applicant shall forward to the FAI Head Office a letter of application appropriately signed by its President, Secretary General or other duly authorised persons. This application shall be accompanied by:

If the application is not accepted, all payments shall be returned in full. 2.2.3. In cases where the country already has an Active Member, and the application for Associate Membership is being submitted under the special provisions of Statute 2.5.1.1. as a result of established breaches of that Active Member's obligations towards FAI, the application must also include a written commitment that the Associate Member undertakes to affiliate with the Active Member or resign from FAI as soon as FAI determines that the present, or any subsequently elected Active Member is fully compliant with FAI's Active Membership requirements.

CHAPTER 3

COMMISSION RULES AND PROCEDURES

3.1. REPRESENTATION AT MEETINGS OF FAI COMMISSIONS

3.1.1. Each Active Member or Associate may appoint one Delegate and one Alternate Delegate to each FAI Air Sport Commission (other than the FAI Air Sport General Commission) and Technical Commission. New appointments and persons retiring from NAC Delegate or Alternate Delegate duty shall be reported to the FAI Head Office without delay. Proper credentials must be presented to the FAI Head Office from the Member organisation concerned.

3.1.2. Annually, an up-to-date list of all duly appointed Delegates and Alternate Delegates shall be distributed with the General Conference Agenda, Annexes and Minutes.

3.1.3. At any time an Active or Associate Member may appoint a representative who may take the place of the Delegate or Alternate Delegate for the duration of the concerned meeting if those individuals are prevented from attending a meeting, by presenting proper credentials with copies direct to the FAI Head Office. The delegate and alternate delegates would remain the recipients of all FAI official information and it would be the NAC’s responsibility to forward any communication concerning the meeting to the representative. The representative would have same voting rights as the delegate or alternate delegate but could not be elected to a Bureau function.

3.1.4. An Active or Associate Member who has not appointed a Delegate to an FAI Air Sport Commission or Technical Commission may be represented at meetings of those bodies by a non-voting Observer.

3.1.5. Observers may attend Commission meetings subject to the permission of the Commission President. Observers have no vote and may only speak to the meeting with the permission of the Commission President.

3.1.6. If an FAI Member is unable to appoint a delegate who is either a citizen or resident of that Member's country, the FAI Member may appoint an individual who is a citizen or resident of another country provided that prior approval has been obtained from the FAI Member of that country, and that the person concerned has not represented another FAI Member during the previous 3 years.

3.1.7. Each Air Sport Commission may nominate a representative to attend meetings and to receive papers of each of the Technical Commissions. Such representatives may speak, but have no vote at such meetings.
### 3.2. OFFICIALS OF FAI AIR SPORT COMMISSIONS AND TECHNICAL COMMISSIONS

#### 3.2.1. Each FAI Air Sport Commission and Technical Commission shall have a "Bureau", normally comprising the following officials:
- its President,

#### 3.2.4. Each Commission shall elect a President from among its approved Delegates or the existing President. If there is only one candidate the election may be by acclamation, unless a secret ballot is requested by an approved Delegate or his Alternate. In cases where there is more than one candidate or where a secret ballot is requested by an approved Delegate or his Alternate, the election shall be by secret ballot. If an absolute majority is not obtained in the first vote, a second vote shall be taken at which a plurality shall carry the election.

#### 3.2.5. Presidents may be re-elected for an unlimited number of terms and shall take office upon election.

#### 3.2.6. The President of an FAI Commission shall have the following duties:

##### 3.2.6.1. To represent the Commission over which he presides.

##### 3.2.6.2. During the Commission meetings, to direct the discussions and ensure compliance with the FAI Statutes, By-Laws, Sporting Code and Internal Regulations if any; however, he shall not take part in any vote, except as provided for in paragraph 3.3.7.

##### 3.2.6.3. To prepare in writing a yearly report on the work done by his or her Commission and submit this report to the General Conference. When invited, the President shall present the report in person, verbally, to the General Conference. Further, special reports shall be made when requested by the FAI General Conference, the FAI Executive Board, or the FAI President.

##### 3.2.6.4. To review minutes of meetings or records of decisions as prepared by the Commission Secretary and ensure that approved version is provided to the FAI Head Office. This shall be done not later than 60 days after the meeting.

##### 3.2.6.5. A Commission President who has been nominated as his FAI Member’s delegate shall no longer represent his Member’s views while holding office on that Commission, and the Member’s Alternate Delegate or another representative shall represent that Member’s views and vote on behalf of that Member for the period the President holds office.

##### 3.2.6.6. In the case of the President of an Air Sport Commission, to serve as a Vice-President of FAI.

#### 3.2.7. Each FAI Air Sports Commission and Technical Commission may confer upon an outgoing President the title of Commission President of Honour. The Honoree may, if agreed to by the Member of the FAI he represented, be invited to take part in subsequent meetings of the Commission concerned.

#### 3.2.8. The Members of each FAI Air Sport Commission and Technical Commission shall elect by
plurality vote one or more Vice-Presidents from among its approved Delegates. If there is only one candidate the election may be by acclamation, unless a secret ballot is requested by an approved Delegate or his Alternate. In cases where there is more than one candidate or where a secret ballot is requested by an approved Delegate or his Alternate, the election shall be by secret ballot.

3.2.9. A Vice-President shall continue to represent the FAI Member of which he is a Delegate unless he is called upon to act as President.

3.2.10. Vice-Presidents may be re-elected for an unlimited number of terms and shall take office upon election.

3.2.11. The Secretary of a Commission shall be elected by plurality vote and may be re-elected for an unlimited number of terms. If there is only one candidate the election may be by acclamation, unless a secret ballot is requested by an approved Delegate or his Alternate. In cases where there is more than one candidate or where a secret ballot is requested by an approved Delegate or his Alternate, the election shall be by secret ballot.

3.2.12. The Secretary may be chosen from outside the Commission, subject to agreement by the Member who would be responsible for issuing a Sporting License to the person concerned as per FAI’s Rights of representation (Sporting Code General Section 8.1.3.6).

3.2.13. The Secretary shall be responsible for preparing and sending the draft minutes or records of decision of each meeting to its President as soon as possible after that meeting's adjournment, keeping in mind the requirement of 3.4.6.

3.2.14. The Secretary, if not a Delegate, shall have no voting rights.

### 3.3. COMMISSION VOTING RULES

3.3.1. Subject to the provisions of Sections 3.1. and 3.2., each Delegate to an FAI Air Sport Commission or Technical Commission shall have one vote. In case the Delegate is unable to exercise this right, and subject to the provisions of Sections 3.1. and 3.2., the Alternate may vote on behalf of the Delegate.

3.3.2. If no alternate delegate is available and if no substitute has been appointed under the provisions of 3.1.3., a proxy may be given to one of the other delegates, except to the Commission President, who shall not have the right to cast proxy votes. All proxies must be given in writing and be signed by the President or Secretary General of the FAI Member concerned.

3.3.3. A Delegate may represent and vote on behalf of only one other Member of the FAI.

3.3.5 A secret ballot shall be compulsory when requested by any one of the Delegates or their representatives attending a meeting.

3.3.6. Unless otherwise specified in Commissions' Internal Regulations, decisions shall be taken on an absolute majority vote.

3.3.7. In the event of a tie in two successive votes, the President shall cast a deciding vote without appeal.

3.3.8. Voting rules for bestowing FAI awards are subject to special provisions contained elsewhere in these By-Laws.
3.4. GENERAL PROCEDURES FOR COMMISSIONS

3.4.1. A Commission shall meet when convened by its President or, in his or her absence, the senior ranking Vice-President available.

3.4.2. The notice convening the meeting shall be sent in good time to all approved Commission Delegates and the FAI members by the FAI Head Office, but not later than forty five days before the date fixed for the meeting.

3.4.3. Commissions, except for CASI, shall normally meet at, or in the vicinity of, the FAI Head Office. When meeting elsewhere is under consideration, freedom of entry to the country concerned shall be a determinant factor. A Commission that has voted by an absolute majority (>50%) to meet in another place shall inform the FAI Secretary General and consult with him about fixing a suitable date. In any case, Commissions shall meet in the vicinity of FAI Head Office at least once every third year. In addition, the host organisation shall pay all costs, including suitable travel from FAI Head Office to the meeting place, hotel accommodation, and administrative expenses of the FAI Secretary General and/or his authorized representatives. The host organisation may charge a registration fee for the range of services and events offered in connection with meetings held elsewhere than at FAI Head Office. However, no approved delegate to a Commission shall be refused entry to Commission plenary or sub-committee working sessions on the ground that he has not registered. CASI meetings shall be held alongside the FAI General Conference.

3.4.4. A detailed Agenda for each Commission meeting shall be prepared at the direction of the President and shall be sent to the FAI Head Office in time to allow the distribution to all approved Commission Delegates and the FAI Members by the FAI Head Office not later than forty five days before the date fixed for the meeting. The Commission's plenary meeting cannot make final decisions on items that do not appear on the agenda. For new items to be added to the agenda, at least two-thirds of the voting Delegates present must agree.

3.4.5. Commissions shall be entitled to call on specialists for advice.

3.4.6. The minutes or records of decision of each meeting shall be provided to FAI Head Office within sixty (60) days after the meeting and, in conformity with By-Law 6.1.1., notice of their publication shall be sent by the FAI Head Office to all Members of the Commission and to FAI Members as soon as possible thereafter.

Depending on the term of office chosen by the Commission (according to Statutes 5.1.2.8), Presidents shall be elected for one-year or two-year terms by the parent body and may be re-elected.

3.5.2. In the event that the presidency of a committee, subcommittee or working group is not to be held by a Commission Delegate the nomination shall be subject to the agreement of the Delegate from the prospective electee's FAI Member.

3.5.3. Any proposal by a committee, subcommittee or working group shall be subject to the approval
of the Commission concerned.
