

CIVL Plenary 2023 proposal

From Brazil NAC

Jan 9th 2023

Summary of the proposal

For the Category 2 events credit the paid fee for a future event, in case of cancellation due to bad weather.

Current status of the rules

When Cat 2 events do not take place due to bad weather, the sanction fee is not refunded to organizers.

Motivation for change

Not to penalize organizers for bad weather cancellations and to make organizers register Cat 2 earlier, not at the last moment. This is the same as COVID rules.

Proposed changes in the rules

Sporting code sporting_code_s7_-_common_2022.pdf In Section 12.4 amend text:

In case an event is canceled due to bad weather or any other reason, organizers may opt to have the fees paid to be credited for a future event.

CURRENT RULES TEXT

12.4. Sanction Fee The sanction fee for any 2nd category event is the equivalent of 1.5 entry fees (the pilot participation fee, inclusive of such compulsory 'extras' such as lift-passes, etc., but exclusive of accommodation). The sanction fee is payable in euros and shall be a minimum of €50 to cover administrative costs. In the case of a refund, the administrative costs are not refundable. If an event has different entry fees depending on the payment date, the sanction fee is set according to the lowest fee. In case of multi-class events, the sanction fees are not cumulative. The higher entry fee is the base for the sanction fee.
