

CIVL 2023 PLENARY – ANNEXE 7
BUREAU DECISIONS THAT NEED PLENARY APPROVAL

To be updated if needed.

Agreed to postpone the 2024 PG XC PanAmerican to 2026. Same organisers if they renew their interest, Same place if the required ameliorations are achieved.
Opened the bids for the 2024 PG XC PanAmerican.

Opened the bids for the 8th FAI European Paragliding Accuracy Championship. The championship has been awarded to Russia. The ongoing conflict creates uncertainty about whether it can take place or not. The plenary will take the decision to award or not the championship to another nation.

Allowed HG Class 1 and Class 5 Worlds 2023 in North Macedonia to be ran without a test event due to insufficient participation.

Updated Local Regulations templates for Category 1 events.

Approved

- Updated local regulations for the 4th FAI Asian Paragliding Accuracy Championship
- Local regulations for the 21st FAI European Hang Gliding Class 1 Championship
- Local regulations for the 21st FAI European Hang Gliding Class 2 Championship
- Updated local regulations for the 16th FAI European Paragliding Championship
- Local regulations for the 7th FAI European Paragliding Accuracy Championship
- Local regulations for the 23rd FAI World Hang Gliding Class 1 Championship
- Local regulations for the 14th FAI Women World Hang Gliding Class 1 Championship
- Local regulations for the 9th FAI World Hang Gliding Class 5 Championship
- Local regulations for the 18th FAI Paragliding World Championship

Accepted Claudio Cattaneo's resignation as PG Aerobatics Chair. Approved Theo de Blic (FRA) and Alexandra Grillmayer (HUN) to co-Chair the committee.

Accepted Kamil Konecny (CZE) as a co-Chair of PG Accuracy committee.

After FAI By-laws were changed by the FAI Executive Board, adjusted Section 7 so all Euros references are now Swiss Francs reference.

Modified the deadline for bids and presentation to the plenary in the *Bid to Host a FAI 1st Category Event* document (see annexe 23P).
