Dear Mr President, dear Mr Secretary,

since my appointment as Special Commissioner to this NAC, I have been working to support and give new impulse to our sports and all related activities.

A closer cooperation with FAI is, in my opinion, quintessential to such policy and, broadly speaking, to regain AeCI its role in the international context.

For this reason and consistently with this vision, I hereby submit the availability of this NAC to host in Rome the FAI Gliding Commission (IGC) Plenary Meeting 2020.

Please consider as possible dates for the purpose the following:

- 6-7 March 2020;
- 12-13 March 2020.

Should you deem this availability of any interest for the IGC, I shall be more than glad to formally confirm our candidacy in a letter of intent or to provide IGC with further information.

Best regards,

prof. avv. Pierluigi Matera
