ANNEX A SUBCOMMITTEE REPORT

For IGC Plenary 2006

Chairman: Axel Reich (GER)
Members: Roland Stuck(FRA), Göran Ax (SWE), Dr.MUD Jiri Chilar (CZE),
          Bob Henderson (NZE)

IGC Championships During 2005

2 World Gliding Championships (WGC) were held during the 2005 season: the Junior WGC in Husbands Bosworth GB and Women WGC held in Klix, Germany. One EGC was held in Nitra, Slovakia in the Std /Club / 18m Class, another EGC was held in Finnland in the 15m/ Open class.
The Rules worked well overall, especially the rules and scoring for the Speed Tasks – Assigned Areas. A handful of issues arose , but could be solved by our Stewards/ Jury Members.
One problem were normal ongoing Clubflying Operations, parallel to the Competition Flying Operations.
The Event Officials at all Competitions have provided thoughtful feedback on both the Annex A Rules, the Local Procedures used for each event and the overall organisation of each event.
A special report of the ocurred airspace infringments at each competition was submitted to our committee as required by this years plenary decision.

Specific Corrections to Annex A for 2006

A 2005 edition of Annex A was not produced as the Annex was under a moratorium imposed by the Plenary in March 2003.
In October the Bureau reviewed the Annex , especialy the big number of year 2 proposals for this years plenary meeting.

Enclosed you will find a list of various Year 2 and Year 1 Annex A proposals. The major goal of the year 2 proposals, is to reduce the size of Annex A by deleting unnecesary paragraphes.

The Local Procedures for the Sweden WGC is approved and the Vinon LP are under review at present state.

Thanks

Our sincere thanks to everyone who has taken the time to read the Rules carefully and to offer suggestions and comments for their improvement.
My personal thanks to Roland ,Göran,Jiri and Bob, for the continuing work on the Annex and Local Procedures and for responding promptly during the year to questions arising while Competition events were in progress.
