ACCOMMODATION AND BOARD:

The Organizer ensures board and lodging for all participants in The four Hotel complex „Shumen” city Shumen.

Breakfast and dinner will be served in hotels’ restaurant, and hot lunch and mineral water will be served on the contest site, in special designated tents.

There will also be organized restaurant where you will be served lunch and drinks. Will be provided for a fee (beer, coffee, soft drinks).

Organizer provides daily client accommodation and full board in a single price / person / day at an amount of 38 €. (8 days, it is = 304 € / person).

The above applies only to the scheduled trial in 2014 FAI World Championships for Space Models.

Lunch

The Organizer provides for athletes who are staying in other hotels lunch included in the price of 9.5 €/day. Is the need to sign up for a presentation.

The hotel complex has over 350 seats.

(GPS N 43°16'15 29" E 26°54'52 29")

The four star hotel complex „Shumen” is the biggest in the district and has accommodated royalties, heads of countries, tens of thousands of tourists and business travellers from Bulgaria and abroad.

A majestic view towards the Shumen plateau with its restored castle and the “Creators of the Bulgarian state” monument is unveiled from the cozy hotel rooms. The first two capital cities of Bulgaria – Pliska and VelikiPreslav – are located very near, as well as

the “Madara horseman” monument – carved into the rocks above Madara village many centuries ago, the monument which Bulgarians chose as the symbol of their country.

The panoramic restaurant and “Shumen” tavern offer an excellent choice of diverse dishes, and the Wien confectionery is a pleasant spot for meetings for coffee, unique sweets and exotic cocktails.

An indoor swimming pool, sauna, wireless internet – a free opportunity for complete relaxation and connection to the global world.

The Organizing Committee

**Information on the 2014 FAI WORLD CHAMPIONSHIPS
for SPACE MODELS are published on www.WSMC2014.com**

Local Rules for FLIGHT ALTITUDE MEASUREMENT BY ELECTRONIC ALTIMETER in the 2014 FAI World Championships for Space Models

Flight altitudes in all altitude classes (S1A and S5B for juniors and S1B and S5C for seniors) shall be measured by electronic altimeters in accordance with the FAI Sporting Code Section 4, Volume ABR, paragraph B.12 and Volume Space Models,

paragraph 4.9.2.1 and its Annex 2 – Space Modeling Judges and Organizers’ Guide, paragraph 5.b.2: Use of Electronic Altimeters.

Local Rules for the Contest Process in Space Models Altitude Competitions in Classes S1 and S5 are those used for the FAI European Championships for Space Models Romania 2011 were approved by the CIAM Bureau at its meeting held in Lausanne (Switzerland) in December 2010.

All flights shall be measured with the electronic altimeter ADREL (Poland) ALT-USB. The same type of the electronic altimeters produced by the same producer, that shall provide the organizer all competitors in these Championships, shall be used for electronic altitude measurements.

All details on preparation of altitude models with electronic altimeters for flight and the Contest Process will be published in Bulletin No 2.

DEPOSIT

Every team shall submit, at registration, a deposit for each altimeter that will be issued. The deposit must be paid before the contest starts. The deposit shall be an amount of **40Euro** and shall be returned when the altimeters and batteries are returned. If an altimeter and battery is not returned, or is damaged, the deposit shall be retained. If all altimeters per team are lost, during a competition, a new deposit must be paid to allow the team to continue in the competition.
