Overview of cultural and social events for EuSMCh 2015:

22. 08. 2015 - 19.00 The opening ceremony of the EuSMCh 2015.

27. 08. 2015 - 09.00 Tour historical sites

(hiking)

1. **Rynok Square** has been the centre of political, public, cultural, and commercial life of the city for 500 years; it is the heart of Lviv, the setting of the historic beginning of the Europeanization of Ukraine.

The Kornyakt Palace (6 Rynok Square) represents an extremely valuable Renaissance monument dating to 1580; it was the palace of the wealthiest citizen in the whole history of Lviv - the merchant Constantine Kornyakt.

The Chapel of the Boim family is a famous and very unique late Renaissance monument; it has no analogues, neither in Ukraine nor in the rest of Europe...

Virmens'ka str. The Armenian community, one of the oldest in Lviv, had formed over a period of many years a centre for its national life in Lviv. Its unique architecture portrays the original spirit of this Eastern Christian culture.

The Lviv Opera House (28 Svobody Square) is an architectural gem of Lviv, built in the Neo-Renaissance style in 1901, and one of the most beautiful theatres in Europe.

(bus)

2. **The Dominican Church**, now the Greek Catholic Church of the Holy Eucharist, is a magnificent monument of the late Baroque; it is adorned with original sculptures.

The Bernardine Monastery (now the Greek Catholic Church of St. Andrew) is an impressive monument in the Renaissance, Mannerism, and Baroque styles dating to 1600-1630s. This is a fortified medieval monastery.

The High Castle Park (Uzhhorodska and Knyazha Streets): an old shady park on the hill towering above the city, ruins of an old castle, the viewing platform, and breathtaking sceneries

The Palace of Counts Potockis is a majestic edifice in French Neorenaissance style of late 19th century.

(Gastronomic tour)

3. **The Lviv Beer Brewing Museum** is the first museum of beer brewing in Ukraine. The exhibit presents a complete history of beer brewing in Lviv and the Lviv Beer Plant.

Somewhere in the subterranean vaults of the Ploshcha Rynok (Market Square), you can come upon a basement tavern, designed to look like a **kryyivka (underground bunker)** Kryyivkas were used by partisan soldiers enlisted in the Ukrainian Insurgent Army. But, you need to pronounce the password if you want to get in.

Hasova Lyampa

The first Museum-Restaurant in Ukraine!

This restaurant and tavern is the first museum-restaurant in Ukraine. In fact, it hosts a huge collection of kerosene lamps, as the first kerosene lamp was invented in Lviv in 1853. Here, guests can enjoy a pleasant and tasty meal, and find out more about the history of these lamps.

Local Rules for

FLIGHT ALTITUDE MEASUREMENT BY ELECTRONIC ALTIMETER in the 2015 FAI European Championships for Space Models

Flight altitudes in all altitude classes (S1A and S5B for juniors and S1B and S5C for seniors) shall be measured by electronic altimeters in accordance with the FAI Sporting Cod Section 4, Volume ABR, paragraph B.12 and Volume Space Models, paragraph 4.9.2.1 and its Annex 2 – Space Modeling Judges and Organizers' Guide, paragraph 5.b.2: Use of Electron Altimeters.

Local Rules for the Contest Process in Space Models Altitude Competitions in Classes S1 and S5 are those used for the FAI European Championships for Space Models Romania 2011 were approved by the CIAM Bureau at its meeting held in Lausanne (Switzerland) in December 2010

All flights shall be measured with the electronic altimeter ADREL (Poland) ALT-USB. The same type of the electronic altimeters produced by the same producer, that shall provide the organizer all competitors in these Championships, shall be used for electronic altitude measurements.

All details on preparation of altitude models with electronic altimeters for flight and the Contest Process will be published in Bulletin No 2.

DEPOSIT

Every team shall submit, at registration, a deposit for each altimeter that will be issued. The deposit must be paid before the contest starts. The deposit shall be an amount of **45 Euro** and shall be returned when the altimeters and batteries are returned. If an altimeter and battery is not returned, or is damaged, the deposit shall be retained. If all altimeters per team are lost, during a competition, a new deposit must be paid to allow the team to continue in the competition.
