

6th International Open Control Line Portugal 2016

3rd, 4th and 5th June 2016

Report of the FAI Jury

This International Open took place on 3rd, 4th and 5th June 2016 organised by **Control Line Portugal Club**, on the Aeromodelling Track place of Maçussa, fifty kilometers to the North of Lisbon.

This event had the participation of competitors from four countries: Brasil, Spain, Egipt and Portugal.

The club has received the inscriptions to this Open, such as:

Three in F2A ; Fifteen in F2B ; six teams in F2C and six teams in F2F, totalizing 42 competitors, but the final number of competitors was very different, with one in F2A, eight in F2B, two teams in F2C and two teams in F2F, totalizing 17 competitors.

The staff was 14 persons with Jury, Judges, chronometer people, Informatic people, track chiefs and general support people.

The event was made in two separate tracks at the same time.

Atmospheric conditions were very good, without wind and without rain and with temperatures about 22 to 27 Celsius degrees.

The competition took place on Friday to general free trainings, Saturday and Sunday to official flights and races.

After lunch on Sunday was made the closing ceremony with the prize giving of trophies to the three best first places.

In annex we sent the final classification of the all competitors.

The event run without any problems and any claim.

The judges panel was as follows:
