

Report of the chairman of the Judging Committee 2020

Pierre Varloteaux

International Judging List

The International Judging List was updated before the judge selection process.

Judge selections for 2020

As in 2019, the judge selection process was settled as follows:

POWER (ADVANCED & UNLIMITED)

	GROUP #1	GROUP #2	GROUP #3	
# of judges	# of current judges (from the "current list") with an overall standing < 5 or = 5	# current judges (from the "current list") with an overall standing > 5	New judges, with an assistant in the current list + overall standing < 5 or = 5	Judges from the same nation ?
7	4	2	1	No
8	5	2	1	No
9	6	2	1	No
10	6	2	2	Yes, for 1 of group #3

GLIDER (ADVANCED & UNLIMITED)

	GROUP #A	GROUP #B	
# of judges	# of current judges (from the "current list")	Other judges, with national datas from a national contest 2018	Judges from the same nation ?
7	5	2	To avoid, possible if not enough judges
8	6	2	
9	6	3	
10	7	3	

For all international contests in 2020 the organisers agreed to support 7 judges.

After the JC received all the judges applications, the selection was made with:

- Stage #1: Selection for each application was by a “selected” or “not selected” response from the 6 members of the JC. Where the “not selected” number was 4 or more the application was rejected.
- Stage #2: Each member of the JC was asked to select the judges with a ranking choice, for each group.

The final selection was sent to the judges, or to the relevant delegate when the judges email address was not known.

- Stage #3: There was no Stage #3 in 2020 due to Covid crisis early in the year, and the postponement of all international championships.

Covid crisis consequences

After a video exchange with the extended Bureau of CIVA, it was decided to carry forward the panels of selected judges in 2020 into 2021, if:

1. The judge is still available (this will be asked before or just after the e-plenary 2020).
2. The judge is still current (which means that the judge must have judged a contest no later than 2018). This will be checked by the JC.

A new final selection for 2021 will be made in accordance with the above requirements.
