

## CIVL 2023 PLENARY PROGRAMME

**The 2023 CIVL Plenary will be held in the Hotel Dom Henrique, Porto, Portugal, from March 2 to 5, 2023.**

It will be a hybrid plenary, both physical and online, using *Zoom* platform. Our 2022 plenary experience shows that combined discussions are productive and allow a large pool of attendees to participate. However people attending in person have better opportunities to contribute as difficult subjects and strategies are also discussed outside the Open meetings and official sessions. Hence, we encourage Delegates to participate in person.

The plenary will be successful if Delegates anticipate and work before. We will open a dedicated Basecamp Project so delegates can exchange.
