Caro Manfred

I am sending you this email to ask for help and information about a problem.

In November 2020 I sent an email with the file attached also to present mail.

As you know, the date indicated in this request is November 2024.

In our last emails we agreed the date for the GAC meeting in Catania on February 2025.

If the word file attached here is OK for you, I'll have complete it from my NAC and than I propose this at the GAC meeting in Lausanne.

Do you think this procedure is correct?

Best regards

Filippo

The Aero Club d'Italia in coordination with Aero Club di Catania, would be very honored to host the FAI GAC Plenary Meeting 2025.  
This event will be organized in the city of Catania.  
The date will presumably be in February 2025.

We look forward to your welcome reply
