Flight Information

1 Introduction

This Master Plan Describes all activities related to the above competition. The document is a living document maintained by the Project Manager, used for communication with all internal involved parties.

A first brain storming session was conducted in June 2015. The first version of the document is mainly based on the outcome of this meeting.

The aim is to organize and conduct a safe and fair competition in a friendly environment making it a good experience for pilots, crews and visitors.

Women's Pre-worlds @ Arnborg

Dear gliding friends,

This is the first information concerning the 8th Women's World Gliding Championships 2015 in Arnborg, Denmark

[Women's Pre-worlds @ Arnborg](#)

Sunday 17 August to Saturday 23 August 2014 (first briefing Saturday 16th at 18:00)

The competition is open for all pilots, but first priority is given to female pilots endorsed by their NAC or Gliding Federation, second priority to juniors from all countries, third priority to all other pilots. We have a maximum of 70 pilots though, so we believe there is enough space for everyone. We will run the event as a competition, but you are also welcome if you prefer to fly on your own, and just discover the area.

Entry fee: 175€,

Aerotows to 500m: €40

Camping fee is 12€/day per tent or caravan, electricity included.

A limited number of cottages are available for hire. Prices range from 35€/day and up, depending on equipment and size. Please contact us for more information, if you are interested.

The registration form will be available in a couple of weeks.

If you prefer to train during another period, please contact us.
