

Objectives of SPR web portal

- Create value for organisers by providing useful tools
- Increase quality of event presentation by establishing close working relations with event organisers
- Create a single broadcast channel for viewers to follow glider racing
- Do all this through a process that is owner and controlled by the IGC

Current work

- First events: WJGC, WWGC, 13m WGC
- Focus : make it work
- Add all Category 1 events
- Integrate ranking system
- Ease of use by event organisers

Future expectations

- All sanctioned contests
- Ranking list presentation
- Commercial partners
- Advertising
- Business plan
