

# PROPOSAL TO IGC PLENARY 2019

Year 2

Proposed by IGC Sporting Code committee

## *Eliminate landing certificate*

### **It is proposed:**

That the current requirement for a landing certificate be removed from the rules.

### **This proposal affects:**

- 4.4.2e
- 2.5.3b

### **Discussion:**

The current rule for the requirement for a landing certificate is outdated in the GPS world. Every distance flight requires GPS evidence of landing, either for a finish fix or a declared finish point for records.

Removing this rule will simplify the document.
