## 7.10 FLIGHT DOCUMENTATION

Flight Log files **from both Primary and Back Up Flight Recorder** shall be delivered to the Scorer after landing within a period which shall be stated in the Local Procedures. ~~The Organisers may also require back-up documentation within a period stated in the Local Procedures.~~ Non-compliance may **shall** be penalised.

Type the reasons in the space below:

The Event Marker procedure includes the use of both the Primary and Back Up Flight Recorders, therefore to prevent any play with those and to respect the 1 minute rule, a flight log from each of them must be provided after each flying day. The penalties for not conforming to this rule are important to avoid tempting the pilots to try playing around. See penalties in Belgium 13.
