

Oslo 19. November 2016

**Proposal from Norway to ICG meeting 2017**

It is proposed that bidders for World and Continental Championships must include with the Entry Fee quote all known fixed costs, including license fees, local memberships, etc.

This is a proposal for a change to the bid process, therefore it should be enacted immediately, with no need for a Year 2 vote.

Lars Rune Bjørnevik  
IGC representative for Norway
