

PROPOSAL TO IGC PLENARY 2018
Proposed by IGC Bureau

Other Proposal

8.3.3 WGC Calendar

It is proposed:

To continue the World Gliding Championships (WGC) calendar, starting from 2022, as follows

- WGCs shall be held in the Club, Standard, 15-meter classes in even years.
- WGCs shall be in the 18-meter, 20-meter multi-seat and Open classes in odd years
- WGCs for Women (WWGC) and Juniors (JWGC) shall be in odd years

This proposal affects:

IGC bidding process and IGC championships calendar

Discussion:

The proposed calendar is a continuation of the calendar for 2021 endorsed by the 2017 IGC Plenary.

The proposal will distribute WGCs more evenly than in the current (until 2020) calendar, where most WGCs are organised in even years, and will assure a major WGC event every year.

The proposal is not intended to regulate the rules and procedures for having WGCs outside Europe. This can be treated as a separate question.

The proposal does not impact the possibility to organise WWGC and JWGC as one combined event.

The 13.5 meter class will be discussed separately under the e-concept.
