

PROPOSAL TO IGC PLENARY 2017

Proposed by France

New definition for the rule for organising WGC outside of Europe:

If a WGC is to be organised outside of Europe the year 0, a bonus is added to the vote in favour of the bid outside of Europe the next years according to the following rule:

Y1: no bonus

Y2: XX% bonus, rounded to the next whole number

...

Yn: (n-1) XX% bonus, rounded to the next whole number

In case of tie, bid outside of Europe will be the winner

XX has to be chosen in order to keep the spirit of the rule as it is today.

Argumentation: to be developed later.
