Type the text changes in the space below (show deletions as ~~strike-through~~ and additions as **bold underlined**):

All competing pilots in a sanctioned competition will receive a Rating Score from that competition. The Pilot Rating Score for Two Seater entries and entries shared by more than one pilot will be awarded to the pilot with the highest Ranking at the start of the competition. If neither pilot has a current ranking it is the pilot nominated as first pilot or P1. **In both cases it is the responsibility of the Competition Organizer to determine the pilot to whom the ranking score shall be attributed and clearly state her/him as P1 in the result list.**

Note: Since competitions can be held consecutively and the submission of results from prior contests might be delayed a situation can arise where the pilot pointed out as P1 in the beginning of the competition in retrospect has had a lower ranking as the P2. In any such case P1 shall be the pilot having the higher ranking in the RL as published 00:00:00 UTC on the first day of the competition (with first day being the first calendar day where flying could have been scheduled). It is the recommended that the Competition Organizer saves a snapshot of the Ranking List or for the pilots in question in order to provide proof in case of later complaints.

Type the reasons in the space below: These clarifications have been found to be needed.
