

Report of the Aircraft Manufacturer Championships Trophy Working Group

This subject was introduced and discussed at the 2017 CIVA plenary meeting, though at the time it received insufficient support and was held over for further attention during 2018.

Despite further work on the proposal in a subsequent strategy document from Spain there remains a low level of interest in the subject, and further development has therefore been discontinued.

A handwritten signature in blue ink, which appears to read 'Nick Buckenham', is positioned above the printed name.
