

ANNEX 1

Dear David,

before leaving for the next weeks to Kyrgystan I would like to send you some comments for CIG matters.

My observations during last Swiss, Belarus and Russian championships cause me to propose to take following rules amendments on the Agenda of our next Meeting:

Event 1 - Navigation

para 5.1.10 Enroute Drop Zone: second sentence change dropping height from twenty to ten metres.

Event 2 - Precision

para 5.2.0 Event Description: add at the end of first sentence "and a flying time of 130 seconds"

Event 3 - Fender Rigging

para 5.3.1.0 Event Description and 5.3.1.4 Timing: change flying time into 45 seconds

Event 6.3 Parallel Fender Rigging

para 6.3.0 Event Description : 2nd sentence change flying time into 60 seconds

para 6.3.4 Timing: ...maximum of 60 seconds.

Event 6.4 Parallel Slalom

para 6.4.0 Event Description: change flying time into 2 minutes 15 seconds (135 seconds)

Infringement list: each tenth of a second in excess of 135 seconds
