

CIVA Contest Organisation W/G Report 2017

During 2017 members of this Working Group have noted and been advised by others of various occasions at CIVA championships during which key items, actions or their omission in either not in compliance with Section 6 Regulations or could beneficially be added. These have been reported and appropriate solutions suggested in either the Safety and Expedited Proposals or the Presidents' Proposals for plenary to review, discuss and where relevant reach decisions for their implementation.
