**Report prepared by:** Antonis PAPADOPOULOS, CASI President

---

After the last CASI Plenary Meeting at Bali last October and decisions from the CASI Bureau 4 Working Groups had been established to deal with the following issues.

1. Multisports Events WG chaired by Mike Close (AUS).
2. FAI Sporting License WG chaired by Stephane Malbos (CIVL)
3. Jury Handbook WG chaired by Marina Vigorito (IGC)
4. Records and Classes WG chaired by Art Greenfield (USA).

All the WGs worked throughout the year and their final reports are going to be presented at the next CASI Plenary which will happen in Lausanne in October.

During the year and with the occasion of the World Games, CASI organized a mid-year meeting at Wroclaw where most of the CASI representatives were present.

CASI Bureau also prepared few proposals to amend the FAI Sporting Code General Section. A new version of the Jury Handbook was prepared also.

CASI VP Mr. Mike Close was appointed to be the Jury President for the World Games. No protests were submitted.

I would like to thank the CASI Bureau members and the CASI representatives for supporting CASI activities and also FAI EB and FAI HO for the good communication we have during the year.
