Recommendations for Organisers:	<ul style="list-style-type: none"> + Good preparation + The Organization was small but effective. + Lot of Helpers People + Accommodation and Food for Judges was very good - Competitions information for judges and competitors was sometimes very late and hard to find.

Rule Changes - Proposals:	
Personal Remarks:	<ul style="list-style-type: none"> - Several judges came directly from military competition in Hungary, and were already exhausted. The break between the competition must be bigger. - Equipment for AL was OK, we had a few problems because Weather condition was bad and equipment was wet and is maybe to sensitive. - We need back up system on place. Only one big pad for ex. - Equipment for Style is old, camera and judging system and not possible to convert to digital files. (VHS to computer).
