4th FAI World Cup of Speed Skydiving 2019, Dunkeswell, GB

CJ: Bert Ham

28 competitors from 11 NACs – Australia, Austria, Belgium, Germany, Italy, Netherlands, Russia, Switzerland, Sweden, United Kingdom and United States of America.

Competitions were conducted by the new rules and with GPS measuring devices. The scoring system also was adopted for the different scoring philosophy.

Due bad weather conditions 6 of 8 rounds were done. The sum of the 6 rounds was counted.

Due to change of measuring device type, the old records were retired, and new records set was started. There were set ____ Competition Records:

- | | |
|-------------------------|------------------------------|
| ○ Male Oceanian | Shane Turner (Australia) |
| ○ Female Oceanian | Jessica Johnston (Australia) |
| ○ Female World | Mascia Ferri (Italy) |
| ○ Female European | Mascia Ferri (Italy) |
| ○ Male World | Charles Hurd (GBR) |
| ○ Male European | Charles Hurd (GBR) |
| ○ Female North American | Montana Miller (USA) |
| ○ Male North American | Eugenio Giurana (USA) |

The competitors open meeting was held right after the competition.

Summary of the discussed matters during the competitors meeting and to be discussed in the committee:

- Maximum exit altitude
- Raise of altitude to 1000 feet
- Throw-away rounds (possibility to return them back)
- Decision jump-not to jump
- SMD mounting
- Scoring system requirements

Committee would like to thank the BPA, DZ Dunkeswell owner James Farrant and Meet Director Mike Lovemore for the support very high level of event organization.

Judging Courses
