

**FAI Parachuting Commission (IPC)**  
**Report to the 106<sup>th</sup> FAI General Conference**  
**Antalya, 19-20 October 2012**

**Reported by :** *Graeme Windsor, IPC President*

---

**1. Important activities, projects or events since last FAI General Conference:**

IPC Plenary decided to establish IPETA (International Parachute Events and Tours Agency) to conduct professional tours. Canopy Piloting to be first tour.

**2. Positive and negative results:**

Positive:

IPETA company established in UK, despite intransigence from FAI

Negative:

Mistrust of IPC developed following the Plenary

**3. Main problem(s) encountered and solutions adopted :**

Finance approval process not working. EAF submitted by IPC ignored.

**4. Planned activities and projects for next year :**

- Develop Canopy Piloting tour via IPETA
- Conduct world's biggest ever World Parachute Championships event in Dubai, Nov/Dec 2012

**5. Proposals (if any) to FAI Executive Board, FAI Head Office or for the next General Conference :**

- Revise FAI structure to allow the establishment of a real International Air Sports Federation.

**6. Free reporting:**
