In recent years the CIVL has been reviewing the jury and steward policy (see <http://www.fai.org/civil-about-us/civil-officials-experts>). We have had no training session at the Plenary for jury and steward positions. However, for juror positions, we tend to choose people of experience that have been working within CIVL and are well aware not only of the rules, but also of the goals and purposes of CIVL – the spirit of the rules. For steward positions, we choose people with extensive experience running competitions and/or people who are well aware of the goals and purposes of CIVL.

We are working on updating the existing list of volunteers for J&S positions.
