

## **2016 PLENARY – ANNEX 22**

### **COMMUNICATION OFFICER'S REPORT**

*Stéphane Malbos*

Our communication is done mainly on our website.

About 50 News should have been published between the 2015 and 2016 Plenaries, some directly by FAI Head Office, some sent to the Delegates and Info mailing list. This is in line with the number of news published the last 3 years.

We can do better. Obviously we need someone dedicated and with more time than a Communication Officer who is also CIVL President. The 2013 Plenary allowed the Bureau to get professional help. It is probably time to go in this direction. We are lucky to have a Competition Coordinator, Claudia Mejia de la Pava, that is also an occasional journalist, so we could use her skills. She has agreed, I can start working with her anytime.
