

CIVL 2017 PLENARY – ANNEX 23H
BUREAU PROPOSAL – PILOT SAFETY FORM

SECTION 7A XC

8.7.2 PILOT SAFETY FORM

After landing and at the latest when downloading their instruments for scoring purpose, pilots are required to correctly fill out and sign a Pilot Safety Form...

Comment: During summer competitions, the Pilot Safety Forms were used extensively in hang-gliding, and absolutely not in paragliding, although they were available.

Proposal: Modify as follows...

After landing and at the latest when downloading their instruments for scoring purpose, it is recommended that pilots correctly fill out and sign a Pilot Safety Form...
