With more than 50 years of participation in skydiving, Larry K. Bagley has set the standard for service to the skydiving community. His service to the US Parachute Association is without equal with 20 years as a board of director, to include a record eight years as its president and two more as chairman and an additional 16 more as a member of USPA staff. Internationally, Larry served as the US Alternate Delegate to the IPC from 1998-2011 and was elected IPC Technical Secretary for 2002-2006. He also served the International Skydiving Museum for 6 years as a trustee and 4 years as secretary.

In recognition of his contribution to the sport Larry has received the FAI Paul Tissandier Diploma, the UPSA Lifetime Achievement Award and has been inducted into the International Skydiving Hall of Fame and numerous other awards.

Thank you for your time and consideration regarding Larry K. Bagley's nomination.
