

Report from the CIVL Jury & Steward Coordinator: December 2014

Volunteers were called for 3 category 1 championships in 2015 and 3 practice events for category 1 championships in 2016.

Appointment decisions for the 2015 events have been made by the CIVL Bureau and volunteers for the championships informed of their appointment.

In general volunteers respond promptly to requests to show availability & motivation but a notable few repeatedly show availability & then change their minds at the last minute.

3 experienced JP's / Stewards have withdrawn their involvement from future events.

A lack of Steward involvement prior to the cat 1 championship and language difficulties have caused issues with some organisers. It would be advisable that, where possible, the Steward have a common language with the main organisers.
