REPORT ON THE ACTIVITIES OF THE INTERNATIONAL SCIENTIFIC
AND TECHNICAL ORGANISATION FOR SOARING FLIGHT (OSTIV)
for the period October 2012 to September 2013.
Loek M.M. Boermans, President of OSTIV.

Since the OSTIV Speaker Track at the Convention of the Soaring Society of America in Reno, USA (February 2012) and the XXXI OSTIV Congress and Sailplane Development Panel meeting in Uvalde, USA (August 2012), see my report last year, there have not been another Speaker Track, OSTIV Congress or meeting of the Sailplane Development Panel, Training and Safety Panel or Meteorological Panel in the period October 2012 to September 2013.

The next OSTIV Speaker Track is scheduled at the Convention of the Soaring Society of America from 25 February to 1 March 2014 in Reno, USA.

The XXXII OSTIV Congress will be held at the time and place of the 33rd World Gliding Championships from 20 July to 10 August 2014 in Leszno, Poland.

The next annual meeting of the Sailplane Development Panel will be from 11 to 13 October 2013 in Toulouse, France.

The next biannual meeting of the Training and Safety Panel will be from 25 to 27 October 2013 in Lasham, United Kingdom.

The next annual meeting of the Meteorological Panel will be on 20 and 21 September 2013 in the WMO Training Center, Alanya, Turkey.
